Under this agreement for 2016
Greenlands State School will receive

$46,185*

This funding will be used to

- Develop individual learning plans for those students at risk of not achieving National Minimum Standards
- Improve the Year 3 and 5 Mean Scale Score (MSS) in Writing to over 470
- Continue to sustain high student outcomes in the Upper Two Bands of NAPLAN strands
- Further develop teacher and teacher aide capacities to assist the Writing Improvement agenda

Our initiatives include

- Use 2015 student data and 2016 student data profiles to identify students as risk of not meeting NMS to develop individualised tasks (as part of the homework and class activities) and assign further TA support to those students’ classes.
- Ensure teachers engage in further professional development to assist the Writing Improvement agenda.
- Using multiple opportunities for students to engage in various writing tasks as outlined by the school’s English program.

Our school will improve student outcomes by

- Purchasing additional teacher aide time to support student learning across all classes [$41 000]
- Funding TRS for teachers to engage with PD based on the Writing Improvement agenda [$3 500]
- Provision of any further resources to support targeted intervention for students at risk of not meeting NMS. [$1 685]
