Snapshot report

Under the Investing for Success Agreement for 2016
GREENLANDS STATE SCHOOL received $46,185

Our full 2016 agreement can be found at: Greenlands Investing for Success

Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Use 2015 student data and 2016 student data profiles to identify students as risk of not meeting NMS to develop individualised tasks (as part of the homework and class activities) and assign further TA support to those students’ classes.

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 Investing for Success agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Ensure teachers engage in further professional development to assist the Writing Improvement agenda.

- Using multiple opportunities for students to engage in various writing tasks as outlined by the school’s English program.
