Under the agreement for 2015
Greenlands State School will receive

$26,770*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Develop individual learning plans for those students at risk of not achieving NMS.
- Continue the high percentage of Yr.3&5 students meeting the NMS in all five areas to a level of at least 90%
- Increase the percentage of Yr.5 students in the Upper 2 bands in writing from 25% to 30%
- Ensure Prep student reading levels meet the Greenlands Assessment Plan benchmarks by the end of 2015
- Further develop teacher and teacher aides capabilities

Our strategy will be to

- Utilise the Explicit Teaching agenda (ref: Archer, Hughes & Charles – Explicit Instruction, Effective and Efficient Teaching) and cluster pedagogy coach to provide teachers with targeted planning approaches, teaching strategies and data analysis techniques. [AIP-Priorities 1&2]
- Use short-cycle data collection processes (e.g. weekly numeracy revision tests, data profiles review meeting with students) to inform the teaching-learning cycle. [AIP-Priority 1]
- Use student data profiles to identify students at risk of not meeting NMS to develop individualised tasks (as part of homework and class activities) throughout the year. [AIP-Priorities 3, 4 & 5]

Our school will improve student outcomes by
